Classification

Depending on your level of commitment to us you will be assigned to one of our partnership levels. Each level offers unique benefits and advantages for you. The higher your level of commitment to us, the more benefits you will receive.

DEVELOP Bronze Partner

This is the second level of DEVELOP Partnership.

Becoming a Bronze Partner means you have taken a big step forward in our partnership. And this level introduces you to an additional set of benefits, such as bonus payments when agreed targets are met.

How do you reach the DEVELOP Bronze Partner level?

We are offering you a programme that is fair, open and transparent when it comes to determining your partnership level. This, in turn, decides the level of benefits you are entitled to.

The more criteria you fulfil, the higher your partnership level will be and the more benefits you will receive.
